At William Ryan Homes, our new homes are built with state-of-the-art, energy-saving building systems. The HERS Index is a scoring system established by the residential Energy Services Network (RESNET). The lower the HERS Index, the more efficient the home, which means you save more energy and money. With an average HERS Index rating of 55, our new homes are over 30% more energy efficient than a standard new home.

The Charlotte

2,463 Square Feet
3 Bedrooms • 3 Baths • 3 Car Garage

Dimensions are approximate, may differ from actual plans and are subject to change without notice. Floor plans vary per elevation and community. Images may not be shown to scale. Windows, doors and ceilings may vary on options and alternate elevations selected. Specifications, equipment, plans and pricing are subject to change without notice.
